Brief education and work history with relevant accomplishments regarding to ICC-PBM2018 (max 120 words):

I am actively supporting Patient Blood Management across hospitals in England as Secretary to the National Transfusion Committee and as Clinical Director managing several Consultant Haematologists within the NHSBT Patient Blood Management team. I am actively promoting PBM internationally as Regional Director for ISBT. As Chair of the British Society for Haematology Guidelines Committee I am responsible for the development of several UK clinical and laboratory guidelines in Haematology and Blood Transfusion. I am active in clinical audit and led National Comparative Audit projects in Patient Blood Management in Surgery and also on patient information and consent for transfusion. I am strongly committed to promoting education in Transfusion Medicine within several roles including Clinical Tutor for NHS Blood and Transplant.
