Short Curriculum Vitae (Scientific Secretariat)

Name: Kari Aranko

Title(s): Executive Director, M.D., Ph.D.

Affiliation: European Blood Alliance

Kari Aranko is Executive Director of European Blood Alliance (EBA).

He has 20 years of experience at senior management positions at competent drug regulatory authorities, pharmaceutical and biotech companies. From 2007 until 2014 he had senior management positions at Finnish Red Cross Blood Service, covering research and development, Advanced Cell Therapy Centre, laboratory services, plasma operations, pharmaceutical distribution as well as being acting CEO for one year. His research and development activities are reflected in over 50 publications, about 100 study reports, and successful submissions of new drug and marketing authorisation applications. He is an adjunct professor in University of Helsinki. In addition he has had a pharmaceutical facility constructed and managed IPR portfolio of over 30 patent families. He has also experience as a member of Board of Directors. He joined EBA in 2014.
