Name: Kaaron Benson, MD

Title(s): Medical Director, Blood Bank

Affiliation: Moffitt Cancer Center, Tampa FL USA

Brief education and work history with relevant accomplishments regarding to ICC-PBM2018 (max 120 words):

Dr. Kaaron Benson is a board-certified clinical pathologist with subspecialty training in blood banking/transfusion medicine. She has been the medical director of the Moffitt Cancer Center HLA Lab and is currently the medical director of the Moffitt transfusion service. She has served on multiple committees within the AABB, College of American Pathologists and American Board of Pathology. She has been involved in multiple educational conferences and routinely teaches medical students, residents, fellows, physicians and others who are part of the clinical team. Moffitt Cancer Center is currently working toward attaining PBM certification through The Joint Commission.
