FRANKFURT
2018

International Consensus Conference On Patient Blood Management

Short Curriculum Vitae (Speaker/panellist/expert Bio)

Name: Lise Estcourt

Title(s): Dr

Affiliation: NHS Blood and Transplant (UK) and University of Oxford

Brief education and work history with relevant accomplishments regarding to ICC-PBM2018 (max 120 words):

Lise is a Consultant Haematologist for NHS Blood and Transplant, and Senior Clinical Lecturer in Transfusion Medicine. Her research in transfusion medicine focuses on the safe and appropriate use of blood components (red blood cells, platelets, plasma, cryoprecipitate) and their alternatives. A lot of her work has examined the use of platelet transfusions in people with haematological malignancies, and risk factors for bleeding. Lise's research work involves systematic reviews (Cochrane and non-Cochrane); clinical trials; and clinical studies.

Lise is the Clinical Lead for the National Comparative Audit in Blood Transfusion. She is the Co-ordinating Editor of Cochrane Haematological Malignancies Group, and is an editor of the journal Transfusion Medicine.
