International Consensus Conference On Patient Blood Management

Short Curriculum Vitae (Speaker/panellist/expert Bio)

Name: Amanda Thomson

Title(s): Dr

Affiliation: Australian Red Cross Blood Service, and Bloodsafe eLearning Australia

Brief education and work history with relevant accomplishments regarding to ICC-PBM2018 (max 120 words):

Dr Amanda Thomson, FRACP/FRCPA, has formerly been clinical and laboratory haematologist at two Sydney teaching hospitals and is currently transfusion medicine specialist at the Australian Red Cross Blood Transfusion Service and medical editor/writer for Bloodsafe eLearning Australia, BEA.

She was co-chair of the National Blood Authority Expert Working Group for development of the national PBM guidelines and member of the Clinical Reference Groups. The six PBM guidelines were developed through a systematic review process and progressively released between 2011–2016. She currently serves on the PBM guideline review working group, and the national PBM implementation committee. Her role as medical editor/writer for BEA involves development of educational resources to support implementation of the PBM guidelines and best transfusion practice.
